of Correction

Sir:

Attached is Form PTO-1050 correcting the PTO's misspelling of Assignee's name. The Assignee respectfully asserts according to 35 U.S.C. §254, "*Certificate of Correction of Patent and Trademark Office Mistake*," that the changes to United States patent number 6,963,003 are the result of the PTO's clerical error. Furthermore, the Applicant hereby requests the Director to issue a corrected patent without charge in lieu of and with like effect as a certificate of correction.

If the Commissioner for Patents requires further explanation please address all inquiries to the Applicants' Attorney. Please send either the corrected patent or the Certificate of Correction, whichever is approved by the Director, to the following address:
